Age 16-19? Left School - Next Steps

Help us to help you or someone
you know!

Aberdeenshire Council in Partnership with Skills Development Scotland are looking to ensure that all our young people age 16 – 19 in Aberdeenshire are either Employed, Self-Employed, in an Apprenticeship, in Training, or in Further/Higher education.

We are tasked by the Scottish Government to ensure that no young person is omitted from receiving the necessary information, and/or support if required.

Many of our young people may have not responded to contact made by Skills Development Scotland (e.g.— Careers Adviser) and may not be aware of the information and support available and may have missed out. These young people may be in employment and not require any support or information, therefore we would like to confirm this for our records.

To help us to find those who may benefit from information, and/or support, we will be trying to contact young people, either by email or telephone to ask if they are willing to advise if they are in employment, on a gap year etc., or would benefit from support to help them get a job, go to college, or start up their own business.

If you or someone you know wants more information then please email:
Opportunitiesforall@aberdeenshire.gov.uk

We are here to help

CLD Service OFA

Aberdeenshire Employability Agreements (AEA)

Do you know of a young person who has left School recently between the ages of 16-24 years and unable to secure a positive destination – due to personal barriers.

An Aberdeenshire Employability Agreement may be the solution to help them progress onto a positive destination?

If the answer is yes, please contact:

Opportunitiesforall@aberdeenshire.gov.uk

The OFA team within Aberdeenshire Council CLD Service – manages and co-ordinates all Aberdeenshire Employability Agreements.

Employability agreements aim to engage young people who have not been able to find a suitable offer via 16+ Learning Choices, but with 1:1 support would be able to progress onto a positive destination.

AEAs are individual packages of support designed in conjunction with the young person, delivered by a range of council services and partners, such as:

Aberdeenshire Council CLD	Aberdeenshire Council Employability Service	Aberdeenshire Council Through Care and After Care	Aberdeen Foyer
Aberdeen Options	Barnardo's Works	Shmu	LEAD Scotland
